

Scripture Reading Plan for 5776 (2015-2016)

This reading plan builds on the Torah and Haftorah cycle as a foundation for reading through the entire Bible. The Torah and Haftorah readings follow the standard one-year Jewish and Messianic divisions, with the Torah readings divided into daily portions and the Haftorah readings occurring on Shabbat. (Note that the chapter and verse designations are according to the Christian rather than Jewish numbering.) Designated Torah and Haftorah readings for the *Moedim* (Feasts of the Lord) appear at those special times in *italics*. Readings for the rest of the Tanakh (Old Testament) and the Apostolic Writings (New Testament) proceed through a daily plan that covers all of those Scriptures over the course of the year.
